Welcome,

On behalf of Paramount Realty USA, we invite you to participate in a unique investment opportunity to purchase at auction any one or more of 115 residential properties located throughout New York City, Long Island and Upstate. The properties consist of 1 and 2 family homes and land in Staten Island, Queens, Brooklyn, Port Jervis, Stony Point and Nassau and Suffolk Counties.

We are pleased to continue working with the Governor's Office of Storm Recovery, which Governor Cuomo established in 2013 to address disaster recovery and rebuilding efforts in areas impacted by storms such as Superstorm Sandy, Hurricane Irene and Tropical Storm Lee. The sale of these properties represents one important step in their rebuilding in a manner that is more resilient to future storms and other instances of extreme weather and we are excited to be playing a role.

For your convenience and informational purposes only, this brochure provides a summary of the properties that will be auctioned either on May 10 at the Hilton Garden Inn Staten Island or May 11 at the Hyatt Regency Long Island. For substantive information, please visit prusa.com to purchase the Due Diligence Information, which includes title reports, appraisals, surveys, the Terms of Sale, the Purchase and Sale Agreement, property photographs and much more.

We encourage your participation and look forward to working with you and our partners to help rebuild our communities better and stronger than ever before. Thank you and good luck!
