OVERVIEW

The Penthouse at the Platinum Condominium—a jaw-dropping, three-level combination unit that epitomizes luxury living. Nestled atop the iconic Costas Kondylis-designed building, this extraordinary home is a masterpiece of design where every detail has been meticulously curated.

Sun-drenched by day and offering the most spectacular sunset views over the picturesque Hudson River by night, this Northwest corner unit is a true gem. As you step into the grand great room, you are greeted by soaring 25-foot double-height ceilings and floor-to-ceiling corner windows that provide a panoramic view of the city skyline and Billionaire's Row. The inviting fireplace sets a cozy atmosphere, while the expansive terrace invites you to soak in the city's captivating sights and sounds.

Designed for the ultimate entertainer, this penthouse boasts a large wet bar with both cold and room temperature wine storage, two impressive floating staircases, and five stunning crystal chandeliers—each an art piece by Moura Starr. The second kitchen on the lowest level serves as a perfect catering kitchen or a private space for your house guests.

This magnificent home features four luxurious bedrooms, each with its own bathroom, and two additional half bathrooms. There is also the possibility to easily add a fifth bedroom and ensuite. The primary wing offers a tranquil sanctuary with a sumptuous bathroom featuring an oversized soaking tub for two, dual vanities, a steam shower with dual shower heads, and a generous custom walk-in closet. The lower level guest suite, complete with a private entrance, provides a perfect haven for visitors, family, or live-in staff – think of it as your personal New York City guest house.

Equipped with top-of-the-line amenities such as electronic shades, central heating and cooling, two laundry rooms (each with washer and dryer), two full kitchens, and 11-foot ceilings throughout, this penthouse is a haven of modern convenience and luxury.

The Platinum building itself offers unparalleled amenities including a 24-hour concierge and doorman, a resident lounge with pool tables, a spa lounge with massage chairs, a health club, sauna, indoor and outdoor yoga studios, a landscaped terrace with a fireplace, and a golf simulator.

Located in one of Manhattan's most vibrant neighborhoods, this residence is just moments from Central Park, Bryant Park, Whole Foods, Broadway theaters, fine dining, shopping, the Hudson River, and public transit. Without a doubt, this home is one of New York City's most exquisite opportunities for ownership.
